## **Vikash Jha Solo Show, *Voyages of Reflections*, on MvVO ART August 2 - 8, 2021**

Promising Young Immigrant Artist Creating Art and Seizing Opportunities

MvVO ART announced its first solo show, ***Voyages of Reflections***, on Artsy, featuring the work of **Vikash Jha** for one week (August 2 - 8, 2021). The talented Mr. Jha participated in the MvVO ART debut at Sotheby's (February 2018), and in both the 2019 and 2020 shows in the Oculus at the Westfield World Trade Center, New York City. He is among the artists with works available for sale on the MvVO ART Artsy gallery. This body of work reflects artists' deep cross-cultural influences and journeys so far, traversing between eastern transcendental expressionism and modern western experientialism influenced by Picasso, de Kooning, Rauschenberg, Rothko, Pollock, Gaitonde, Hussain and others.

“Vikash is an extraordinary talent and the perfect choice for the first solo show on our virtual gallery space. His art is inspirational and so is his optimism and dedication to seeking out and seizing opportunities to grow his art career. He has great potential and the heart to find an audience for his work. We're happy to support Vikash with a solo show.” Maria van Vlodrop, Founder CEO of MvVO ART.

Vikash recently won a contest hosted by Penguin Random House and was awarded a review by the art critic and author of, 'How to Be an Artist', Jerry Saltz. The noted Pulitzer-prize winning critic said of Vikash's work: *"You know a fair amount about art. Great sense of color.... internal light. Gets viewers engaged from far and....then draws them in... by working back the details. This is important... I think that if this is the least representative of your works, you are in great shape."*

Vikash Jha is a contemporary abstract expressionist. Born in India, Vikash immigrated to the United States to work in the Management Consulting and Financial Services Industries and for specialized academic studies at Harvard and MIT, after his formal Art education in India. His diligence in seeking out connections and opportunities has led to significant recognition for his budding career. Since 2017, his work has been featured in many Chelsea galleries and shows in the New York Metro area including: Pleiades Gallery, 1stDibs Design Center, Edison Arts Society, and MvVO AD ART SHOW.

“To get the invite from MvVO Art to be in their first solo artist show on Artsy, from among their world-wide curated pool of artists, is a huge honor! I look forward to this experience!” - Vikash Jha
