

MvVO ART

"Advertising's core equity - its brand and greatest strength - is creativity! Celebrating our industry's talented Artists enhances advertising's image outside and inspires even more creative thinking in-house."

- Maria van Vlodrop
CEO, MvVO ART, Creater of AD ART SHOW

AD ART SHOW is an opportunity for Artists from Advertising and related fields to get discovered by Art Lovers, Art World Professionals, Art Collectors, and the General Public.

The show—now in its 5th Year—gives wide

exposure to emerging artists online on Artsy and during a month-long digital Art exhibit inside the **Oculus at the Westfield World Trade Center in New York City, May 1 to May 31, 2022.**

100 artists are selected by a panel of Art World Professionals—just getting the attention of these influential gallerists, well-known collectors, art advisors, curators, and critics is enough to jump-start an Art career.
